ART EXHIBIT AT GOULD OPENS SUNDAY, APRIL 3

A new exhibit of sculpture and paintings will open in the James B. Owen Art Gallery on the campus of Gould Academy this Sunday, April 3, 2:00-4:00 p. m. The exhibit is the work of artist Anne Paige, Orland.

Ms. Paige has exhibited her work at the Bangor Art Association, in the O'Conner Art Cottage on Monhegan Island, at Thomas College in Waterville and at the Castine Museum in Castine. Last year, she was honored by the University of Maine at Farmington as one of the 10 outstanding women in Maine.

Her works include welded sculpture and oil paintings, including many of the Maine sea coast. Her light and witty view of the world will appeal to all. The public is cordially invited to attend the opening and to visit the gallery during the time that the art work will be in exhibit—May 13. The gallery is open during the week from 9 a. m. to 3 p. m. and on week ends, 2 to 4 p. m.

M. S. A. D. #44 SUPERINTENDENT'S NEWSLETTER

Dr. Wayne F. Gersen
On Friday, March 18, the teachers in S.A.D. 44 met to review an evaluation system developed by the Academic Standards Steering Committee (ASSC), a group of teachers representing every school and grade level in S.A.D. 44. This evaluation system will be field tested at the end of the school year, and will be used to see if the students have reached the objectives approved by the Board of Directors during the 1981-82 school year.

In August, 1982, the ASSC met and reviewed several options for developing an evaluation system. The options they discussed were: using a standardized test that closely matched our district's curriculum; using testing materials provided by the State Department of Education; hiring a consultant to help us develop our own standardized test; or, developing a systematic test on our own. Looking around the table at their group, and looking around the district at the teachers in S.A.D. 44, the ASSC decided to complete the job themselves. The ASSC believed the teachers in the district knew their students better than any textbook manufacturer, any professor of education, anyone in the state department, or any curriculum expert available. After hundreds of man hours of hard work by the teachers in the district, it is evident that the ASSC made the right decision. The continued on Page Eight

FOLKSINGER CONCERT CANCELLED AT GOULD

The last program in Gould Academy's Programs in the Arts and Humanities, scheduled for Monday, April 4 has been cancelled. Jim Bartow, a folksinger, was to have performed works of his own composition as well as traditional folk music, but due to a death in the family, is unable to be at Gould. Every attempt will be made to reschedule the concert so everyone is advised to watch for an article in the newspaper.

"RAPPAICINI'S DAUGHTER" NEXT IN FILM SERIES

APRIL 6 AT MASON HOUSE
"Rappapini's Daughter" a film based on the short story by Nathaniel Hawthorne will be the seventh in the series "The American Short Story" sponsored by the Historical Society with the support of the Maine Humanities Council and the National Endowment for the Humanities in cooperation with the Film Services Division of the Maine State Library. The story is concerned with Giovanni, a student in Padua, who has a room overlooking the garden of the famous botanist, Dr. Rappapini. From his window, he observes the scientist's attractive daughter tending plants. Though warned to stay away from her, Giovanni becomes increasingly obsessed with the young woman and her fate. The film is free and open to anyone interested. It will be shown in the meeting room of the Dr. Moses Mason House, April 6, at 7:30 p. m.

M. S. A. D. #44 Directors' Meeting

The S.A.D. 44 Board of Directors held a business meeting in the Telstar Library on Monday evening of this week. The Board had been in an orientation session since late afternoon.

This was the Board's annual organizational meeting held following the completion of annual municipal elections within the District. Eva C. Twitchell of Woodstock was elected as Board chairman for the third successive year. Darlene Hall of Andover was chosen as vice chairman. Both Mrs. Twitchell and Mrs. Hall have been members of the panel since March of 1976.

The functions of the Board's committees were summarized by the following Board members: Buildings and Grounds, Paul Hill; Education, Ruth Feeney; Finance, Robert Blake; Negotiations, Harry Swan; Personnel, Darlene Hall; Policy, Desda Fogg. The Directors rejected all bids submitted for two 66-passenger continued on Page Eight

From the Bethel Town Office

"Open Water Fishing Regulations, 1983", from the Maine Department of Inland Fisheries and Wildlife, are available at the Town Office. Printed as a booklet, this publication has been revised to make it easier to use and understand. For example, certain legal language that caused confusion in the past has been eliminated, leaving the laws (enacted by the Legislature) and the rules (adopted by the Commissioner) that apply to open water fishing. Interested citizens may obtain a copy of the 1983 "Open Water Fishing Regulations" upon request at the Town Office.

Similarly, moose hunting applications are available for the taking at the Town Office display counter. Applications must be returned to Inland Fisheries and Wildlife, 284 State Street (Station 41), Augusta, Maine 04333, postmarked no later than midnight April 1, 1983.

The Board of Assessors will be in session on Friday, April 1, from 12 noon to 5 p. m. in the Town Office to accept property lists for 1983. Residents should note that applications for veterans' exemptions must be filed by April 1 and Tree Growth and Farm and Open Space applications must also be filed by that date. Anyone with questions regarding these items should contact the Town Clerk, Merton Brown.

The ban on all night on-street parking will be lifted effective Friday, April 1. However, if there is an additional spring snowfall, it would be appreciated if residents would park vehicles off the road to assist with snow removal activities.

OUTING CLUB BANQUET SATURDAY NIGHT, APRIL 2

The second annual Bethel Outing Club Banquet will be held at 5 p. m. on Saturday, April 2, at the Methodist Church. A pot-luck supper and social gathering will be the primary purpose of the evening as the group celebrates its second year of community activity. Non-members are cordially invited to join in the festivities. Anyone planning to attend is reminded to call Betty Ann Hastings at 824-2341 to facilitate food coordination.

TOP TEN SENIORS AT TELSTAR REGIONAL HIGH SCHOOL

Warren E. Bouchard, Principal of Telstar Regional High School, has announced the top ten seniors of the Class of 1983.

Ranking first in the class, with the highest academic average achieved in the history of Telstar, is Daniel Sean Kersey, son of Timothy and Judith Kersey, Paradise Road, Bethel. Sean's service to the school is unsurpassed. He has been a member of the Student Council for three years, President this year; a member of the National Honor Society for two years, Co-President this year; and a member of the Band for four years, President this year. Sean is also a four year member of the soccer and track teams and the Drama Club. In addition to these activities Sean serves as a student aide in Adult Education and Telstar High Computer classes, he's an ex-officio to the school board, and a member of the Ad Hoc Lunch Committee. Sean is also a three year Math League participant. He has received numerous awards for his efforts including the D.A.R. Good Citizen Award, Commended Student in the National Merit Scholarship Competition, participant in Maine Scholars Day at U.M.O. and the Maine Conservation School program for gifted and talented. He was chosen as a representative to the New England Junior Science and Humanities Symposium and as a delegate to American Legion Boys State. Sean has been admitted to Dartmouth College, Hanover, N. H., through their Early Decision program. He plans to major in Liberal Arts with an emphasis on pre-med.

Ranking second in the class is Teresa Lee Blake, daughter of Robert Blake, Bethel, and Linda Zale, Albany. Teri has participated in Band, Yearbook Staff, Cheerleading, Track and Field and Spanish Club during her Telstar years while also devoting many hours serving as a student history aide and peer tutor. She has a flair for writing winning the Bethel Historical Society's Award for Excellence (history essay) in both 9th and 10th grades. Outside of school,

Teri has worked with youngsters in a Girl Scout summer camp and is presently an assistant Sunday School teacher at the Bethel Methodist Church. Teri hopes to study astronomy at either Bowdoin College, Brunswick; Tufts University, Medford, Mass., or Hampshire College, Amherst, Mass.

Achieving the third highest rank in the class is Thomas Leon Verrill, son of Leon and Marguerite Verrill of South Woodstock. Tom has been actively involved in the school's extra-curricular programs serving on the Student Council and Math League and the soccer and baseball teams. He is a student peer tutor and has also served as a recreation leader for students at Crescent Park Elementary School, Bethel. A Boys State delegate, Tom hopes to attend Atlantic Union College, Lancaster, Mass., and major in Accounting.

Fourth in the class is Lesli Sue Olson, daughter of Melvin and Shirley Olson, Bethel. A superb student maintaining a solid "A" average in her 3½ years at Telstar, Lesli also possesses outstanding personal qualities which have enabled her to come successful in numerous activities including Student Council, Basketball, Field Hockey, Track and Student Peer Tutoring. She is Co-President of the National Honor Society and has won several awards during her four year membership in the Math League and Drama Club. She has served as Captain of the Math Bowl, Treasurer of the Spanish Club and was elected to the House of Representatives at Girls State. A Commended Student in the National Merit Competition, Lesli plans to pursue a career in pharmacy. She has been accepted to the University of Rhode Island at Kingston and the University of Connecticut at Storrs.

Maintaining the fifth highest rank in the class is Mary Beth Feeney, daughter of Donald and Ruth Feeney, Bethel. Mary Beth is a serious student of high caliber. She has received academic awards in science, three foreign languages and English. She attended Maine Scholars Day at U.M.O. in May of her junior year and this fall, Mary Beth was selected as a Semifinalist in the 1983 National Merit Scholarship Competition. In her four years at Telstar, Mary Beth has participated in Drama Club, Yearbook Staff, Math League, Library Club, Spanish Club, Varsity Club, the field hockey and track teams. A kind and caring individual with a special

fondness for children, Mary Beth would like to become a physician and specialize in pediatrics. She plans to continue her studies at Boston University; Brown University, Bryn Mawr College, Smith College or the University of Vermont.

Joyce Ellen Gauthier has achieved sixth place standing in her class. She is the daughter of Newry residents Arthur and Jacqueline Gauthier. Joyce is a sincere and conscientious student and has earned the respect of her peers and the faculty through her academic and extra-curricular participation. She was inducted into the National Honor Society in her Junior year. She has been a class officer for two years and is a member of the Spanish Club. She is a valued member of the field hockey team participating all four years, Team Captain for two years. She is also a four year member of the track team and a contributing member of the Varsity Ski Team for the past two years, Captain this year. Joyce is considering attending the University of Maine at Orono in the fall.

Seventh place standing has been attained by Darlene K. Brown, daughter of Dick Brown, Norway, and Muriel Knightly of West Paris. Darlene is new to Telstar this year having entered in September from Pine Tree Academy. While a student at Pine Tree, Darlene served as class president her Sophomore and Junior years and as Student Council secretary in her Junior year. In grades 10 and 11 she was an active member of the 4-H. Darlene plans to be employed locally following graduation.

In eighth place standing is Jane M. Corriveau, daughter of Roger and Jean Corriveau, Gilead. Jane is an enthusiastic, mature and steady member of the senior class. She has been involved in Spanish Club, Yearbook Staff, and the track team during her high school career. She also has assisted underclassmen volunteering her time as a math tutor. Outside of school, Jane has helped for the past three years with the Nutrition Day Camp in Gilead. Having visited museums and institutes in the Chicago area, Jane has decided to pursue a career in the science field. She hopes to attend Bowdoin College, Brunswick; or Hampshire College, Amherst, Mass., next year. Placing ninth in academic stand-

ing is Katherine L. Swain, daughter of Ruel and Maureen Swain of Bethel. Katherine, bright, hard working and ambitious is an individual who does many things well. She has been a valuable member of the field hockey, track and ski teams all four of her high school years. She plays piano for the Jazz Band and has been a member of the Spanish Club. Her Junior year, Kathie attended a special University of Maine Conservation Camp for gifted and talented high school students. Kathie is presently taking lessons for a private pilot's license. Having lived and worked on a farm all her life, Kathie has a special interest in nature and the outdoors. She plans to further her education at Middlebury College, Middlebury, Vt., or Bates College, Lewiston, majoring in liberal arts with an emphasis on environmental sciences.

Rounding out this outstanding group of students is Cheryl Ann Stowell with tenth place standing. She resides in South Woodstock, the daughter of Joseph and Carol Stowell. Cheryl's extra-curricular record includes participation in Spanish Club, the field hockey and track teams. She is a peer tutor assisting underclassmen with mathematics instruction. Also a Girls State delegate, Cheryl hopes to pursue a career in the business field in administration or computer science. She will attend Hesser College, Manchester, N. H.; U.M.O. or U.S.M. in the fall.

North Waterford

— Mrs. Jo Sanderson, Cor. —

A party was given in honor of Maria Juengert's 85th birthday on Sunday, March 20 at the home of her daughter and son-in-law, Mr. and Mrs. Robert L. Wood. Those present were Mr. and Mrs. Edward Wood of South Waterford, Sheriff and Mrs. Alton Howe, Mr. and Mrs. Philip Curran and Mr. and Mrs. Edward Swett Jr., all of North Waterford.

There will be an Easter egg hunt at the North Waterford Church, Saturday, April 2, at 2 p. m. rain or shine and all are welcome.

Jo Sanderson visited her daughter, Arlene Bean in West Bethel Friday morning. Jo's granddaughter, Darlene Baker, of Hanover was also there. Arlene is still on the sick list and confined to her home.

Clyde Stanton Jr. was in Caston Wednesday to visit his son, Leslie Stanton.

Children's Center

The glorious time of Easter is here already. Hopefully, the weather will co-operate.

The theme and activities are being centered around Easter this week. The children will be making paper mache eggs, dyeing eggs, listening to the Peter Cottontail record, enjoying Easter stories and many other activities. Thursday, during music circle, there will be a mini parade around the school grounds.

The Star of the Week is delightful, energetic, blonde-haired Samantha Poland.

Many thanks to the regular volunteers. It is really nice to have them.

SPECIAL HOLY WEEK SERVICES

A Good Friday worship service for the whole community will be held at the West Bethel Union Church at 7 p. m. Clergy, laypersons and choir members from local churches will take part. Nursery care will be available. The offering received will help support the projects of the Bethel Area Clergy Association. All are welcome.

An Easter Sunrise service will be held on Barker Mountain at 7 a. m. Sunday. Participants are encouraged to dress warmly and be at the Sunday River Ski Area chairlift at 6:30 for the ascent. For those who wish to stay warmer, a service will also be held in the Lodge. Breakfast will be served following the services in the Lodge.

WEST BETHEL UNION CHURCH

Good Friday Service for area churches will be held at West Bethel Union Church on Friday, April 1, at 7 p. m.

On Sunday at 6:30 a. m. Sunrise Service at Sunday River Skiway with breakfast to follow.

Easter Service at the church at 9:15 a. m.

There will be no Sunday School and no Bible Study on Easter Sunday.

Magalloway & Wilson's Mills

Alice Harvey, Corres.

Mr. and Mrs. Walter Mullins and family of Milan were Sunday dinner guests of the Grovers.

Robert Grover was in Bangor on Saturday to participate in the YMOA Youth Government. Robert served as a lobbyist.

Pete Baker returned home on Tuesday from the Berlin hospital where he underwent minor surgery.

Elizabeth Glover was runner-up in the Young Photographers Competition, sponsored by the Portland School of Art. There were over 450 entries from students in New England and New York. Elizabeth's photo was taken when she was a fifth grader at Magalloway School, under the instruction of teacher David Fulton. She is a freshman at Rangeley Regional High School.

Happy Easter to everyone.

In and About Bethel

Mr. and Mrs. Aarne Cummings, Pittsfield, were guests last week of Mr. and Mrs. Jorgen Olson, and Mr. and Mrs. Ramond Stevens.

Local ladies, joined by several out of town guests, enjoyed their annual luncheon bridge on Tuesday, March 28, at the Philbrook Farm, Shelburne, N. H. Overnight guests of Mrs. Norma Jordrey Monday were Irene Gallen, Littleton, N. H.; Betty Mayo, Wells; Barbara Merrill, Bev King and Gwen Shibles, Ogunquit. They were joined for bridge by Susan Lefferts, Marge Keyes and Marge Littlefield, all of Ogunquit; Lucia Wilson, Gorham, N. H.; Mary Champe and Eveline Kimball, Rumford Center; Patricia Bennett, Barbara James, Carolyn Brooks, Chris Otton, Norma Jordrey, Melva Willard, Pearl McMillin, Sally Ramage, Edith Eypner, Dorothy Moore, Margaret Trinward, Joan Putnam, and Cynthia Gofjen. Winning prizes in order of high score were, first, Mrs. Moore, followed by Mrs. Champe, Mrs. Gofjen, Mrs. Mayo, Mrs. McMillin, and Mrs. Wilson.

Deanne Bangs, daughter of Glenn and Marla Bangs, formerly of Bethel, won the first Modern Woodmen Civic Oration Contest held Tuesday, March 22, at Hermon Elementary School. The topic of this year's contest was "Leaders Who Have Made a Difference." Winners from other Junior High Schools will compete in a district contest.

Bethel Village awoke Monday morning, March 28, to discover seven inches or more of wet snow. Varying depths were reported throughout the area. Classes were cancelled in District 44 schools for the day. Cooler temperatures on Tuesday and Wednesday kept the landscape in its winter hue.

Church Service Reminders:

Maundy Thursday services will be held tonight (March 31) at 7 o'clock, with communion, at the Locke Mills Church. Good Friday services will be April 1, at 7 p. m. at the West Bethel Union Church. Saturday, April 2, at 7 p. m., the Easter Cantata will be presented, with refreshments to follow. The Sunday schedule will include a Sunrise service at 5:30 a. m. in the cemetery, a pancake breakfast in the church at 6:30 and a film, "Fire in the Southern Sky" at 7:30. Easter worship will be at 9 o'clock with baptism and welcoming of new members.

Robert Cole, Dorothy Durgin, Alan Seames, Hanna Seames and Will Seames will be baptized on Easter Sunday. Robert Cole, Dorothy Durgin and Edna Cole will be received into membership.

The church building committee is still looking for a lot for the parsonage. Anyone knowing of a suitable spot at a reasonable price is asked to please notify the committee.

The church is sponsoring free blood pressure readings in the church office, with Martha Farrington, R. N., following worship service every third Sunday of each month.

The church also is in need of several items. If anyone is willing to donate any of the following, it would be appreciated: a safe, electric warming trays, wood cook stove, Ashley type wood parlor heater and various pieces of furniture.

Tuesday, April 5, the Fire Department will meet at the Fire Station, with the invitation to supper at West Paris on Monday, April 4.

The Ladies Circle resumed meetings on March 16, following a two month recess. Thank you were read from the Youth Group for financial help provided for their Rockcraft trip and from the choir for cleaning of the collars of their robes. It was voted to buy the Easter music for the Cantata, provide a tulip plant for the church for Easter and refreshments following the Cantata, to send cards to Honduras and to

Letters to the Editor

28 March 1983

To the Editor:

Voters in S.A.D. 44 will be asked again this year to approve a new elementary school to be located in the town of Woodstock. Although I no longer have a child attending this school, I have a deep concern about asking other parents to send their children to this building daily. The building is unsafe in a number of respects, being an old wood frame, three story structure with an antiquated oil burner within the building. With age the chance of an accident increases rapidly.

Several of us are also concerned about the lack of good play ground space, and know how hard it is to play ball on top of a wet septic field, when the weather turns warm and children want to run and get some exercise away from the gravel and pavement. In addition, the larger school buses must back up on the school yard in order to turn around. This is contrary to state law, for obvious reasons! The building suffers from heat flow inequalities, and many educational deficiencies. It has served us well and long, and deserves to be retired!

I have had a chance to give the economics side of the picture some study, and agree with the school board that building a new building will save us a substantial amount of money throughout the district in the next 10 years. This is an amazing payback that will continue long AFTER this initial period. It would seem this information was not understood or believed, causing the initial vote to fail. Hopefully, more information will make it possible to change that situation to the benefit of the whole S.A.D. 44. We have organized a citizen's group in the town of Woodstock to promote the new school and answer questions, provide information and encourage support for the new school. We welcome any offers of assistance! Please call the Woodstock school or one of the committee members. We especially need support in the other communities which turned down the original referendum. It will benefit ALL of us to have a new school in Woodstock!

Thanks,
Doug Trotter

International Folk Dancing

International Folk Dancing will be held on Wednesday, April 6, at the Universalist Church in Bryant Pond. This is in addition to the sessions regularly held on the second and fourth Wednesday of each month. Informal, no partner necessary, beginners welcome. For information, call 875-5255.

Now, Mr. Moulton, if you wonder why I am not signing this letter, it is because I have stated the facts as they were. I wish no further dialogue with you through this paper, or otherwise.

Thank you,
A Concerned Citizen

My taxes are paid also.

Mrs. Arline Bernier, Corres.

Brad and Cathy Barrett are receiving congratulations on the birth of Chad Barrett on March 25. Mother and son came home from Rumford hospital Monday and the whole family is doing well.

The Katzenjama lady brought in her family and a guest followed. The very young feline apparently abandoned and on an enforced weight watchers diet was cared for in spite of the fact her hostess didn't want or need an addition. She said she may have to put a cup on its collar and send it out for contributions.

Easter Sunrise Service will be held in the field in back of Bergerons' house at 5:30 a. m. In case of very inclement weather, the service will be held inside under the leadership of Steve Shaw of Rumford. Following the service a breakfast will be served at the Bergeron home. There is no charge for the breakfast but free will offerings will be accepted. Also, the cook would like to know, if possible, how many will attend. You are welcome to fellowship at breakfast whether or not you make it for the service.

Regular church service will be held Sunday afternoon at 2 p. m. at the church. Wayne, Annie and Nancy Atwood were guests of the Bergerons during the week end. HEAD SCOUT PATROLS — New Patrol Leaders and their assistants named at the annual awards night, include, left to right, How-

and Kimball, who also received the Scoutmaster's Medallion, Aaron Bean, Chris Chapman, David Kersey and Mike Newell.

Albany HUNT'S CORNER AND VICINITY — Kathy Bennett, Corres. — Here it is March 28 and we have spent the day shoveling and wading our way through seven inches of wet sloppy snow—let's hope it is the last!

James Barton celebrated his 18th birthday on Thursday, March 24. I made him a cake and Dick and I and the boys went up to help him celebrate. On Friday evening the family had a party for him with his aunt and uncle, Roger and Yvette Barton and children and his grandfather, Frank Barton of Brownfield.

Callers this last week at the Barton Farm have been Bernard Graffam and Bernard Jr. and Bill and Yvonne Robinson and girls.

Recent callers at the Wardwell Farm have been Helen and Linwood Ring, Bea Farnum and Alice Hoyt, Bobby Hoyt and Beth Hoyt and a boy from the Christian school where Beth works.

On Sunday, March 20, Albert and Elma McAllister were the guests of honor at their home of a 55th wedding anniversary party. Fifty-seven guests signed the guest book. Friday callers were Mr. and Mrs. Austin Smith of Fryeburg.

Sarah Andrews has her car out and went to Norway last week for groceries. It must be spring! Seeing that blue car go down the road is as much a sign of spring as the first robin!

Barb and Howard Inman attended the 25th anniversary party for Leslie and Shirley Rogers on Sunday. Saturday evening they attended the benefit supper for Paul Fillebrown and the benefit dance for Ray Stone.

Recent visitors at the home of Hugh and Edith Stearns and Ruth Bumpus have been Mike and June Inman and children, Terri Howard, baby Christopher and Doreth, Barb Inman, Franklyn Barton, Ivy Philbrook and Mr. and Mrs. Clarence Waterhouse.

The Bennett household is as crazy as ever. Seems like everyone is going in five different directions at once!

Friday evening Flo and Warren Cairns were over to play cards. Saturday evening Bill and Yvonne Robinson and Margaret and Franklin Barton and Bill-Jo Robinson were here and we played cards.

Sunday, Danny and Douglass and I went with my Dad, LaForest Twitchell to Windham to visit my brother and family, Allan and Jane Twitchell and Ben and Ariana.

Danny Bennett spent the week end visiting his grandfather in Bryant Pond.

Recent callers have been Russell Nutting, Darlene and RayAnn

CARD OF THANKS

BOY SCOUT PARENTS' NIGHT DEEMED SUCCESS

Wednesday evening, March 2, parents and friends of Boy Scout Troop 565 were invited to attend an awards night held at the Telstar Regional High School Cafeteria.

Scoutmaster Ray Harrington welcomed those attending including Roger Conant and his Webeles. The evening was opened with a flag ceremony conducted by the two Scout Patrols.

Chris Chapman was appointed Senior Patrol Leader and presented with a certificate and badge of his office by his parents, Mr. and Mrs. Hugh Chapman, Gilead. Chris then in turn, conducted the leadership change in the two patrols of the troop. Taking over the Wolf Patrol from Chris is now David Kersey, son of Mr. and Mrs. Tim Kersey of Bethel. David then appointed Mike Newell as his assistant patrol leader. Mike is the son of Mr. and Mrs. Ken Newell of Albany. Taking the command of the Bear Patrol from Jeff Boyle, is Howard Kimball, son of Mr. and Mrs. Rodney Kimball of West Bethel. Howard then appointed as his assistant, Aaron Bean, son of Mr. and Mrs. David Brown, Bethel.

Inducted into the troop as a new Scout in a candle light ceremony was Shannon Sumner. Shannon is the son of Al Sumner, and was presented with his Scout Uniform by his father and Rose Walega.

Prizes were then awarded to three Scouts who were the highest sellers in a recent fund raising drive for the Troop. They were Mike Newell, Timmy Roberts and Howard Kimball respectively.

Patrol competition was then enjoyed with a mail driving contest between the Bears and the Wolves. Each Scout in the Patrols had to run about 40 feet to a large block of wood, drive in three spikes, and then get the hammer back to the next Scout, etc., until the last had driven his nails. The Bears managed to capture this event.

The highlight of the evening was of course, the "1st Annual Troop Dessert Creation." All 13 entries were worthy of reward and the desserts that were the big winners were: Most Effort, Mike Boudreau; Most Delicious, Chris Chapman; Most Appealing, David Kersey. The other 10 Scouts received well deserved certificates of award by Assistant Scoutmaster Dennis Boudreau.

The evening was concluded with one more award, which is the Scoutmaster Medallion, presented to that Scout that the Scoutmaster feels displays best the Boy Scout ideals of doing a good deed daily. This went to Howard Kimball.

The ceremonies were completed, the prizes given, the awards awarded, the certificates certified, and the nails were nailed leaving only one thing left... the dessert creations were devoured and enjoyed by all.

Sunday River

— Jeannine Fleet, Corres. —

Penny Fleet and Jay Hastings of East Bethel entered the pole, paddle and paw race at Sunday River Inn. They had a good turn out but not much snow to ski on. A few went for an unexpected swim in the river. Everyone had a real good time.

Prizes for the first place winners donated by Chuck Roast of Conway, N. H. There was a big trophy for first overall to be engraved with their names and caps for all entries.

Mr. and Mrs. David Fleet and Mrs. Mary Morin went to visit Tammy Fleet, Grace and Jean, at Manchester, N. H. Also saw Mike Dorey and Rusty Merrill for a few minutes.

Mr. and Mrs. Fred Johnson and Brad called on the Charlie Harthornes.

A few students from here attended the movie at Telstar Friday night.

Sent in by Viva Whitman:

Thought Spring had gotten a good start, but it looks wintry with all the snow this Monday morning. Oh well! It can't last with the sun so high now, and the temperatures getting up there well above freezing.

Had hoped this past week would start off real good, but fair weather didn't last too long on Monday. It soon clouded up and rained late in the day. In the forenoon, while the weather was pretty good, Russell and I went up river to borrow a cement mixer for him to use on his barn project.

I'm afraid time has rolled out some of the barn timbers and we have to do some repair work.

Tuesday, I had an appointment in Fryeburg so thought we would go early and have lunch at the restaurant over there, where I have many times in the past. Our greeting was a "Closed" sign. We did get a nice hamburger on to Main St. though, so didn't have to go hungry.

It was quite something to see all the water everywhere. Brooks were overflowing and many fields

were covered with water. It didn't look as though we needed any more water for a while.

Wednesday, went the other way. Went to Hamford for business and of course did a little shopping as well.

Russell and I went to town on Thursday to get materials he needed for his barn project. It was a nice day to go riding, though a little cool.

Friday was rather a cold day too. After having the warmer weather, we notice the cooler ones more. In the evening, Eleene Andrews came to deliver the material ordered at my party. It's always fun to see the nice items in each bag. Saturday I made some deliveries. Didn't find everyone at home, but got some of it taken care of.

It was Grange night also, with a pot luck supper preceding the meeting. We always have a good supper, and visiting at the same time. We had four visitors: three from Mystic Valley Grange, and one from Franklin Grange. We always welcome visitors. Our next meeting will be April 9, and are hoping it will be C.W.A. Night if all goes well.

Sunday, Russell, Peggy and I started for Lewiston, where I was to stay overnight with my daughter and her husband, Mr. and Mrs. Michael Wolf. We were also invited to dinner there, but stopped for a few minutes in Auburn, to visit Peggy's daughter and husband, Mr. and Mrs. Bernard White, before going to Lewiston.

After dinner, with my daughter Wynona, Peggy and Russell went back to go for a ride with Myrna and husband, Whitey. Guess from what they said, they enjoyed themselves very much. I hope so as I had a good visit with my daughter. Don't see her too often, so have a lot to talk about when we get together.

We'll have to see what this week brings, fair weather or foul, and it has already brought some foul weather. No matter what, it can't last too long, and then we can enjoy seeing green grass and all the different shades of green leaves.

GUIDANCE DEPARTMENT

March has been a busy month at Telstar Regional High School. The past two weeks have consisted of a variety of numerous activities for students coordinated by the Guidance Office.

On Thursday, March 17, 11 junior and senior students went on a U. S. Army sponsored tour of Fort Devens. The tour was left for this Massachusetts base at 6 a. m. Upon arriving at Fort Devens, Staff Sgt. 1st Class Charles Baker and Sgt. William Becker supervised and coordinated a tour of Fort Devens facilities: PX, gymnasium and recreational facilities; cafeteria; barracks; and educational center. Troy Berryment, Rick Coulombe, Chet Herrick, Chris Johnson, Jeff Morgan, Marty Reed, Lee Richardson, Dale Ricker, Dale Robbins, David Roberts and Mitchell Sweetser all arrived home from this tour enthused and pleased.

The Career Awareness Week program presently has 160 juniors and seniors working on career choices and contacting work sites to "job shadow." These students have had a second conference with their respective faculty advisors. This year, faculty advisors consist of Mrs. Arsenault, Mrs. Berry, Mr. Davis, Mrs. Dombkowski and Mr. McCann. Many students have visited the Guidance Office for career ideas and/or work site suggestions.

As part of a career planning sequence for students at the high school, the Career Decision-Making Survey (C.D.M.) was administered to nearly 75 juniors on Tuesday, March 22 by Mr. Hart. This survey is self scored and provides a student with three career clusters to explore. Students will meet with Mr. Hart in small groups as he interprets the results of their career interests. Ideally, the results will initially assist students with Career Awareness Week. The C.D.M.'s will also determine career placement after graduation next year.

Students in Mr. Hebert's and Miss Lord's business classes were visited by Dennis O'Neill of Hesser College. Mr. O'Neill presented an orientation of business careers such as: accounting; fashion merchandising; management; Travel; customer service, computer sci-

ence, data procession and administrative assistant.

In relation to job search practices, Sgt. Rygaidski of the Army National Guard performed an Application/Careers/Interview Workshop for 20 to 40 students. During the week of March 21, Sgt. Rygaidski provided a handbook and discussed important tips for students interested in seeking employment.

Seniors receiving recent college acceptance news from post-secondary institutions are: Teresa Blake, Computer Sciences, University of Maine at Orono; Eric Clements, Computer Sciences, University of Maine at Fort Kent; Jerry Denais, Computer Sciences; University of Maine at Orono; and Bryan O'Donnell, Communications, Bangor Community College.

This past Monday, March 23, the National Honor Society Chapter and its advisor went on an exchange program at South Portland High School. Departing Sunday evening, Mr. Hart, Lorna Carter, Sean Kersey, Joyce Gauthier and Leslie Olson were guests at N. H. S. members' homes in the South Portland area. On Monday, the group was hosted at South Portland High School. The Telstar N. H. S. Chapter returned home with an additional viewpoint of another high school and N. H. S. Chapter.

Also during the week of March 23, the C. A. D. E. T. Committee (Community Alcohol and Drug Education Team) is again presenting the Mid-Day Media Series. All students are invited during their Mid-Day Study periods to watch the Straight Talk About Drugs film series. The C.A.D.E.T. team also plans to present a film for a Parent/Student Night in the near future.

Walking With Jesus Christ

— Long-long before time ever was —

—Easter was planned. The all knowing and forever—"I Am"—God, Father of the universe, cherishing the thought of a loving people said—"Let us make man in our image"—with a wonderful world for man and woman to dwell upon in peace and happiness.

God gave them freedom of decision—the right to say yes or no. Choosing to disobey God they did eat "of the tree of knowledge of good and evil"—and sadness fell upon the face of the earth. Man's will to follow Satan became so great that God flooded the earth with water, saving but eight—Noah and his family who rode to safety in the ark.

From these came forth a great multitude—among them the Israelites chosen by God to be his people—and with them a leader named Moses through whom—God—was written the first five Books of the Bible containing the "Law of Moses." Yet even with these as their guide the Nation of Israel fell, whereupon God not giving up, whereupon God not giving up, his love for a people to love him came from heaven to earth—in human form, to teach and save—Jesus Christ is his name.

To fulfill the scriptures as foretold by the early men of God—Jesus taught that he would be offered up as a sinless lamb to die on the cross taking upon himself all the sins of man—and that three days later he would arise from the grave—gaining victory over Satan.

The Bible teaches that he walked about for forty days talking to people and showing his wounds, repeating his promise to have God's own Holy Spirit dwell in the hearts of the followers of Christ—and that he could not do so until he returned to heaven. John 16:7—"Nevertheless, I tell you the truth: It is expedient for you that I go away; for if I do not away, the Comforter (Holy Spirit) will not come unto you; but if I depart, I will send him unto you." (The Bible teaches that the Holy Spirit is revealed as a divine Person.)

We too have the choice of saying yes or no to God—if yes, then we must acknowledge we're sinners—"for all have sinned and fallen short of the glory of God"—asking his forgiveness through Jesus Christ—to have him as the Lord of our lives—doing so will see a miracle—we're "Born Again" as the Holy Spirit comes into our hearts. Then we devote much time in prayer, Bible learning and reaching out to others for Christ.

Gas Tax

Whether to increase the gas tax or not is the issue of the day for the legislative committees on Tax and Transportation.

Legislators have varying opinions concerning the tax as how much should be levied. Transportation Commission recommended increasing the tax from 9 cents (established 1971) to 14 cents per gallon per cent increase.

It is estimated each penny increase would generate a more than \$5 million in revenue annually. This additional revenue would go into a budget that cover \$10 million for capital improvements such as maintenance and resurfacing programs. \$5 million would provide matching for additional federal money \$10 million would be used to store funds for the local road.

Gas Tax

Whether to increase the state gas tax or not is the issue occupying most of the time for the Legislative Committee on Taxation and Transportation.

Legislators have varying opinions concerning the tax as well as how much should be levied. The Transportation Commissioner has recommended increasing the gas tax from 9 cents (established in 1971) to 14 cents per gallon, a 5 cent increase.

It is estimated each penny increase would generate a little more than \$5 million in revenue annually. This additional money would go into a budget that will cover \$10 million for capital improvements such as maintenance and resurfacing programs. \$5 million would provide matching funds for additional federal money and \$10 million would be used to restore funds for the local road as-

sistance program.

The DOT has not been a high priority for the past eight years in the governor's office. Therefore, we have to dip into the General Fund (property tax and other monies) to cover this budget. I feel the Highway Fund should be a dedicated fund; therefore, money is raised from a "user tax" and the over burden is not placed on elderly citizens' property tax.

The federal gas tax has been increased from 4 cents to 9 cents, effective April 1, 1983. Maine's share of this will be \$15.5 more federal revenue than in 1982. That money can only be used for highway improvement, reconstruction and new construction of federally-mandated highways such as Interstate 95. That money cannot be used for state and local aid roads.

This week I met with Governor Brennan and Commissioner Campbell. I told them I would consider supporting a 3 cent or 4 cent state gas tax increase if the Highway fund remained dedicated and rural communities, such as my district, received state and local aid road monies.

Easter Thoughts

I went to worship in God's house This holy Sabbath day.
I went to hear the scripture read,
To sing, and softly pray.
The message of the Easter morn
Will fill my heart again
He lives, my Saviour lives in me,
Will be the glad refrain.

North Paris

Eveline B. Vatcher, Corres. —

Oh, what a beautiful morning! Over head it looks a lot like Christmas. Could this be an April Fool? We have it anyway, and one day last week the plow was taken off and stored for the summer. Ha, Ha. We will stay in for the day.

The painters finished at the Community Hall last Wednesday, March 23, and it looks very nice and clean and white. Some pretty drapes and green shades will be purchased as soon as possible and then we can sit back and enjoy it all. A coat of oil will be put on the floor as soon as we get the hall cleaned up from dust of the scraping of paint.

North Paris was well represented at the fried clam supper held at West Paris on Friday night. The Harmons were an hour late, due to a frozen gas line on their truck. We all got hungrier so we could eat more clams. Not the usual big crowd, maybe due to so much unemployment and lots of flu around.

Richard Estes is gaining very slowly, and painfully from his shattered bones and the Winter has been a long one for him. Cheer up Richard, for Spring is here, or so we thought, until this morning.

Mrs. Joseph Kalinowski returned to the hospital on the week-end of March 19 for further treatment and tests and as I write these items, she is still there. Get well soon Laura, it's most time to pack up and head North. The good old "country air" may be just what you need.

Robert Anderson, Jr., of Burlington, Mass., and Miss Brenda Richard also of Burlington spent the week end with Joe and Eveline Vatcher. While they were here Joe's sisters-in-law and other relatives were preparing for a surprise wedding shower at their future home. Their wedding will be solemnized on May 21. Sunday we took them out to dinner to delay their starting home a bit longer.

Mr. and Mrs. Earle Cordwell returned to their home here on March 25. They have spent the winter months in Phoenix, Ariz. We are glad they beat the storm as Mrs. Cordwell does all the driving. Mr. Cordwell is diabetic and is very fond of raspberries, so we saved some in the freezer for his return and will take them to him as soon as he is rested a bit. That is quite a trip, especially for a sick man.

A special Community Club meeting is planned for this Monday evening at the Vatchers' home weather permitting, to discuss and plan a public supper to benefit Mrs. Betty (Abbott) McAllister who lives on High Street, West Paris. She has been sick for a

The auxiliary is having its monthly meeting on Monday night, April 4 at Chris Heffley's house in Bryant Pond at 7 p. m. Any new members are welcome. Canvassing will be discussed.

The ambulance personnel are having a business meeting on Wednesday, April 6, at Ledgeview. They will be deciding Policy and Procedure revisions.

Ambulance Appreciation night is scheduled for Wednesday, April 13, at Stephens Memorial Hospital.

Safety Tip of the Week: Now is the time for spring cleaning. Some parts of our houses haven't been reached since last year's spring cleaning. Remember not to reach too far when both feet aren't stable. A step ladder can be a real asset when it is secured. It can also be the cause of many accidents.

Betty was born and brought up here in our little Hamlet, and we feel we should give her a hand. More facts next week.

Mr. and Mrs. Earl Newton, daughter Faye Pond, and Mr. and Mrs. Newton of Mechanic Falls joined Harlan Abbott at the fried clam supper, and Earl ate more clams than I did for I kept track. He has been helping Harlan with his house work, so he had worked up a good appetite. There were plenty of clams for all and everyone was happy.

CLARENCE TODD

Clarence Todd of Norway, formerly of West Paris, died at the Ledgewood Memorial Home, Friday, March 25, 1983, where he had been a patient the past four weeks.

He was born in Mechanicsville, N. Y., Jan. 20, 1896, the son of John and Agnes Craig Todd. He was a 1918 graduate of Mexico High School. He married Elsie Varum in Mexico June 24, 1937. He moved to Norway from West Paris eight years ago.

Mr. Todd worked for the New England Telephone Co. from 1922 until he began work at Oxford County Telephone and Telegraph Co. where he served as manager from 1933 until his retirement in 1975. At the time of his death he was president of the Oxford County Telephone and Telegraph Co. and Bryant Pond Telephone Co. He was a member of the Telephone Association of Maine and the Telephone Pioneers. Mr. Todd served in the U. S. Navy in World War I and was a chief petty officer in the Seabees in the Pacific theater during World War II.

RICHARD J. PITTS

Richard J. Pitts of Bryant Pond died Friday night, March 25, 1983, at his home, following a long illness.

He was born at Malden, Mass., July 25, 1935. He received his education in Malden, Mass., schools and had served in the Marine Corps. Mr. Pitts was married to Linda Mooney Giroux on May 26, 1979. At one time he was employed as a maintenance supervisor at the Portsmouth Naval Shipyard and later worked in that same capacity at Western Maine Transportation Services in Rumford. Mr. Pitts had formerly resided in Rumford and moved to Bryant Pond three years ago.

Surviving are his wife of Bryant Pond; three stepchildren, David Giroux II, Brett Giroux and Stormy Giroux; and a sister.

Memorial services were held Tuesday afternoon at the Rumford Area Bible Speaks Church, Rumford Corner, with Rev. Robert Colby officiating.

24) of Bobbie Ann Arizep, secretary at the Ethel Bissbee School, was accepted by the Board, effective in two weeks. Mrs. Arizep's husband has resided in the U. S. Navy and they will be residing in Florida.

The goals of the S.A.D. 44 Board for fiscal year 1983 were reviewed as follows:

"Insure the Successful Completion of the Building Improvement Plans for S.A.D. 44". John Freeman, principal of the Andover and Woodstock Elementary Schools, mentioned the unsuccessful vote concerning the proposed Woodstock school last fall and current efforts of a Woodstock group seeking to assure an affirmative vote in the near future. Superintendent of Schools Wayne Gersen commented on the Woodstock proposal and also on renovation projects at the Andover Elementary School.

Mrs. Eleanor Tracy, principal of Ethel Bissbee and Crescent Park Schools, addressed the current fiscal year's District goal to "Adopt an Evaluation System for Determining if the Minimum Standards Established in FY 82 Are Being Reached by the Students in S.A.D. 44."

Thomas Wheeler, Administrator of the Northern Oxford Vocational Area, addressed the topic of Delivery of Vocational Education to Students of S.A.D. 44. Mrs. Jane deFrees of the State Board of Education, Telstar Principal Warren Bouchard, and Board member Paul Hillquist also commented on the vocational education issue.

Telstar Middle School Principal Walter Phillips provided a brief update on the Evaluation of the Extra-Curricular Offerings for Students in S.A.D. 44.

School Lunch Director Hilda Brown reported on the District goal to "Continue the Evaluation of the School Lunch Program."

Administrative Assistant John Quattararo reported on the Evaluation of the Use of Solid Fuel in the Buildings of the District.

SUPERINTENDENT'S NEWSLETTER

continued from Page One teachers in the district have developed an evaluation system for students that reflects their expectations and reflects the material they teach in their classrooms.

At their workshop on Friday, teachers in grades K-8 carefully reviewed the final draft of their evaluation system. The ASSC will now take these drafts, and develop a set of pilot tests to be administered in some classrooms in the district in late April or early May. Once these pilot tests are administered, graded, and reviewed carefully by the ASSC, the test materials will be revised and distributed to all teachers in S.A.D. 44 in grades K-8 to be used during the 1983-84 school year.

It is important to note that the teachers in the district, as they worked on their evaluation system for students, decided not to give one major year-end test to students that would determine their overall success or failure in reading, math, language arts, composition, and grammar. Rather, the teachers made up a series of tests in each of these subject areas at each grade level. While this resulted in much more work for each teacher in the district, the faculties felt that a series of tests would be more fair for students, and therefore, were willing to put in the extra hours.

The development of this evaluation system concludes a three

ADULT ED./GUIDANCE DEPT. SPONSORING WORKSHOP SERIES IN APRIL

The S. A. D. 44 Adult and Community Education program and Telstar Regional High School Guidance Department will co-sponsor a workshop series as part of the April Series in the Adult and Community Education program. Dan Hart, Telstar Guidance counselor, will offer three one-night sessions which may be taken individually, or as a unit, in Career Planning and Job Seeking. Mr. Hart has excellent experience in all facets of the topic, and is anxious to share this with adults, in addition to his work with Telstar students.

The first workshop, Career Decision Making, will be held on Tuesday, April 5, at Telstar from 7-9, and will provide the means of evaluating an individual's interests in deciding on a career or seeking a career change. Methods will include instruction, discussion and exercises.

Employment Search Tips and Job Application Processes is the title of the second workshop, set for Monday, April 11 at Telstar from 7-9. Instruction will be provided in knowing, when, where, and how to find job opportunities and will also cover filling out job applications, resumes, and obtaining recommendations.

The final workshop, the Interview, will be held on Monday, April 18, and will cover preparation for the interview, the effective promotion of oneself during the interview and necessary follow-up steps. This will be held at Telstar, from 7-9.

Pre-registration is necessary to insure that this series will be held. To enroll, phone the Adult and Community Education office at 824-2136.

U.M.W. TO MEET APRIL 7

The United Methodist Women will hold their next meeting, April 7, at 1:30 in the Church Annex. Rev. Jody Stiles will be the guest speaker. The hostesses for the afternoon will be Verna Dyke and Muriel Faudi.

year, systematic evaluation of our K through 8 curriculum. This project caused us, in S.A.D. 44, to re-examine the purpose of instruction, to re-examine how students learn, and to re-examine how we teach. The final outcome of this project should be an improved performance by all students in the district, and a greater understanding of the program of studies by the parents of the community.

"OUR 70th ANNIVERSARY"

Volume LXXXIX—Number 14

BETHEL INN & COUNTRY CLUB
CELEBRATING 70th
ANNIVERSARY THIS YEAR

The Bethel Inn & Country Club, a local inn rich in history, is celebrating its 70th anniversary this year and wants to share its heritage with the community.

General Manager Ray Moran and Assistant Manager Gretchen Davidson are working closely with Chef Bruce Goodrich, in the planning of several events focusing on, among other things, the Inn's fine cuisine. Among the events planned is a "Back-off" week (April 15-22) where local residents can sample some of the Inn's fine cooking at special anniversary prices. Also planned is a special gathering slated for early July, both for the general public and country club members.

Through the years guests from all over the country have made the Inn a home away from home and many return, summer and winter, to the solitude and beauty of the foothills of the White Mountains of Maine.

Known originally as the Prospect Hotel until fire brought the structure down in 1911, the Inn was rebuilt and reopened in 1913. Credited with the development and construction of the Bethel Inn was Dr. John George Gehring, a physician whose forte was the treatment of patients suffering from nervous disorders and exhaustion. Many of Dr. Gehring's patients were from the uppermost ranks of the professional and business world.
